Food Grade Compliant Rubber Molding Materials

This letter will serve to certify that, when fully cured and washed, **Silputty-40 A/B** and **R-2237 SL A/B** comply with the ingredient requirements and FDA extraction test of Title 21 (Food & Drug) of the Code of Federal Regulations (CFR), Section 177.2600, "Rubber Articles intended for Repeated Use." Copy available on Code of Federal Regulations from internet site www.access.gpo.gov/nara/cfr-table-search.html.

It is the inducer's responsibility to confirm that this regulation best fits the intended application of the silicone. Since this and other related FDA regulations pertain to finished articles, testing and compliance of finished articles are the responsibility of the fabricator. Environment of manufacturing is an important factor in food processing.
